CAREER FAIR RECAP

Last month, Midtown Collaborative Partners hosted the Job and Community Resource Fair at Big Bethel AME Church. Covenant Community and Recovery Resources of Atlanta were proud to have a helping hand in the event. The event was a chance for job seekers to meet with local employers to learn about job opportunities.

It was a huge success. Again, thank you to all of the community agencies, employers and job seekers who were in attendance.

A special thanks to our partners at Midtown ATL and Midtown Assistance Center, Inc.

RESIDENT OF THE
MONTH**

LOVELL

This month's Resident of the Month is Lovell. Recently, Lovell got a new job with Atlantic Pacific Management Co. as an Apartment Maintenance Tech. "Growing up, I fixed a lot of stuff with my hands, so I'm excited about this new job," Lovell said. "I really feel like this was all God's doing. Two years ago, I tried to take the CAMT class, but the distance was too far. I just feel like this was all apart of God's plan because while I was here in Covenant, I got an email about the class. So I'm glad it came full circle so I can do this job."

What have you learned so far?

I am learning how to deal with my past pains.

How has Covenant helped you with your recovery so far?

The counseling sessions are really helpful and Donald, gave me a book that brings you in contact with the person you once were and how you can move forward with the person you are today.

What's a memory that makes you smile?

Me and my daughter watch choreography videos.

What are you most thankful for this holiday season?

I am thankful for God's blessings on my life.

GA GIVES, DECEMBER 3, 2019

For over 25 years, Covenant Community Inc., has impacted greater Atlanta by serving over 1,040 men with high quality supports and services. Many of our alumni are now successful businessmen, home owners, fathers and husbands who are contributing to their families, friends and the community at large. We attribute this success to our evidence based treatment modalities, high skilled staff, effective governing board, community partnerships and our deeply engaged volunteers. This year, Covenant Community, Inc. will once again be participating in the state-wide Georgia Gives Day. On December 3, 2019 hundreds of thousands of Georgians will have the opportunity to donate to a non-profit organization of their choice through www.GAgives.org. Last year, Georgia Gives raised a total of \$7.8 million. Our goal this year is to raise at least \$10,000! We will not be able to do it without your help! Let's come together and give hope to our clients!

THAT'S A WRAP!!

Our Social Media and Marketing Coordinator finished filming a set of quick how-to Yoga videos with Instructor, Caroline Smith. The minute videos will feature various yoga poses and instructions on how to effectively perform the poses. The videos will go live in early November to help promote Recovery Resource's revamped weekly Yoga Classes launching at the top of 2020.
