For over 25 years, Covenant Community Inc., has impacted greater Atlanta by serving over 1,040 men with high quality supports and services. Many of our alumni are now successful businessmen, home owners, fathers and husbands who are contributing to their families, friends and the community at large. We attribute this success to our evidence based treatment modalities, high skilled staff, effective governing board, community partnerships and our deeply engaged volunteers.

This year, Covenant Community, Inc. will once again be participating in the state-wide Georgia Gives Day. On December 3, 2019 hundreds of thousands of Georgians will have the opportunity to donate to a non-profit organization of their choice through www.GAgives.org. Last year, Georgia Gives raised a total of \$7.8 million. Our goal this year is to raise at least \$10,000! We will not be able to do it without your help! Let's come together and give hope to our clients!"
